Welcome Fellow Scouts and Scouters!

On behalf of the Hudson Valley Council, we would like to welcome you to an EPIC year of the University of Scouting! Our faculty, staff and administration have put together an amazing program this year with over 100+ relevant and useful courses to choose from to help you deliver the promise in your scouting unit and beyond!

Unlock a new world of knowledge, networking and friendships while learning and sharing in a relaxed environment. We know you will find both knowledge and skills to take back and enhance your program, and probably meet some great new Scouting friends! Please take the time to browse each college's offerings, and share with your fellow scouters. There's something in here for everyone; Commissioners, Leaders, Committee & Scouts.

We would like to extend a huge thank you to our Keynote Speaker, Lt. Col Mindy Kimball, Associate Professor, USMA West Point. As well as a heartfelt thanks and appreciation to our Council Executive David Horton and our Scout Professional, Glen McBride, for all their support and dedication. Our College Deans and the entire Committee have worked tirelessly to select excellent course content, refine the schedules and recruit the best instructors possible. Our instructors are passionate about Scouting and about improving the program for our youth, and it shows in the way they deliver the program. The team has worked for months making sure we're ready for you. A big thanks to our vendors and supporters of the Midway – be sure to check out the opportunities they have for you. We also offer grateful thanks to the Chester Academy for making this awesome venue available to us.

If you've never attended a University of Scouting, then 2019 is the year to begin! If you are a veteran of UOS, our team has worked hard to bring you a learning experience that grows bigger and better year after year. We look forward to greeting each and every one of you in November!

The Vision, Mission and Organization of University of Scouting

Our VISION is to provide you with the best possible opportunity to improve your capability and skill set as a Scout leader and improve your productivity so that you may accomplish more in less time. The motivation is our desire to provide the highest possible quality scouting experience for our youth.

The Hudson Valley Council University of Scouting (UOS) course offerings are organized into seven colleges. Each college provides unique support of their respective area and is chaired by a Dean who is responsible for courses and instructors in their respective area. Additionally, the UOS hosts a University Midway where participants will find organizations (profit, not-for-profit, service and community based) which support the Boy Scouts of America.

Increase your scouting knowledge in any & all areas of scouting. You do not need to stay on only one trail.

For the year 2019, we are pleased to offer the following course programs:

Midway: During your selected lunch period and throughout the day from 10 am to 4 pm, please visit our expanded Midway exhibits. Be sure to visit the BSA Scout Store which will have several products available for purchase and the latest and greatest in BSA official gear, uniforms, gifts and other merchandise.

What to Wear: The full BSA uniform associated with your unit program (Class A) is the expected dress code for all UOS participants. Neckerchiefs are optional. Adults who are not uniformed leaders should wear business casual attire.

Participant Responsibilities:

Your primary responsibility as a University of Scouting participant is to absorb all that you can, and then relay what you have learned back to your units, districts, and councils.

Scouting needs you to help our program be even more effective next year. There are three key ways that YOU can help. As a University of Scouting participant, we have the following requests to ask of you.

#1: Feedback is a gift.

Your feedback for each class taken and for the University of Scouting as a whole helps to guide the staff to further improve the program for next year. Any and all constructive feedback is greatly appreciated. Please fill out the online evaluation forms.

#2: Get the word out.

The effectiveness of this event to have a positive impact on the youth in Scouting is directly proportional to the number of seats filled in the classrooms. Please share with your Scouting colleagues and youth and encourage them to come with you this year and next year.

#3: Share what you know. YOU could be a part of this team. There are always positions open for instructors, registration, facilities, food service, midway, communications, administration, and on and on. Want to be part of this highly motivated, highly effective team? Contact the UOS President for more information on potential opportunities. We're sure we can find a good fit for you on our staff. Or maybe you have a great idea for a course you'd love to develop and present. Whatever your talent is we can probably put it to good use here at the University. Our program and participants will benefit, the youth we serve will benefit, and so will your leadership and communication skills.

Code of Conduct:

All participants, staff and guests are expected to conduct themselves in accordance with the principles set forth in the Scout Oath and Law. Tobacco, alcohol and use of illegal drugs are strictly forbidden. Remember that we are guests at our venue. Scouts (and Scouters) always leave their environment better than they found it and we encourage everyone to clean up after themselves and others. We need your help in practicing Leave No Trace throughout the day. Youth protection measures are in effect at all times.

Cell Phone Policy:

Cell phone courtesy is expected at all times. Texting during class is prohibited and phones must be on vibrate-only mode. If you absolutely must take a call, please exit the class discretely.

Youth Policy:

The HVC University of Scouting is a Boy Scouts of America training program designed for adult leaders and youth ages 11 and up. There is no program for children or childcare facility, and participation of youth in UOS classes and ancillary activities is available for select classes only. Thus, young children are not eligible to attend the UOS, and UOS participants are not encouraged to bring children to the UOS event.

Study Hall:

In some cases, adult students have been interested in skipping a period. Perhaps the available classes have already been taken, or are not relevant to the student. To accommodate this instance, a Study Hall (break) is available. The period can be spent between the cafeteria, midway, and scout shop. Students in Study Hall should not be wandering freely in class hallways.

- Youth students are not eligible for Study Hall. Students must take 6 periods of class and a lunch period.
- Adult students taking Study Halls during lunch periods (periods 4 or 5) may not take their lunch. Students must take lunch during their assigned lunch period. (The Quartermasters ration food service based on scheduled lunch attendance.)
- Study Halls will not count for progress toward the degree program. Degrees require 6 hours of class.

HVC University of Scouting Degree Program:

The University of Scouting degrees provide Scouters a structured program in which they can advance and be rewarded with degrees and titles for each level of achievement. The atmosphere is one of fun and fellowship, but there's also an attitude of respect for the importance of the event. Students are inspired to return each year, not only to learn and earn higher degrees, but also to share their experiences with fellow students. These degree programs are designed to provide an incentive for continued training and as a method to recognize Scouters who participate in that training.

The University of Scouting offers Associate, Bachelor, and Master Degrees. It also offers a Certificate of Post-Graduate Studies. There is also a Doctor of Scouting (PHD) Degree.

Degree requirements for credit hours are satisfied by taking courses in the Hudson Valley Council's University of Scouting. Study Hall does not count for progress toward a degree.

<p>ASSOCIATES DEGREE REQUIREMENTS: Prerequisite: None Requirements: The Associates Degree is awarded to a student upon completion of six hours of courses at the University. You may take any courses in any order, except for classes with restrictions identified in the catalog.</p>
<p>DOCTOR OF SCOUTING REQUIREMENTS: <i>One of the reasons for Scouting's enduring success is tradition: passing experience and knowledge from one generation of Scouters to the next. The Doctoral program exists to create permanent records of Scouting success, so that future Scouters can learn from them. These records take the form of Doctoral thesis papers, written by degree candidates and made available in the University archives.</i> Prerequisites: Hold a Master of Scouting earned at a prior University session and at least one year before you register for the Doctoral program, you must also complete course GEN27 What's Up, Doc?, or obtain prior permission of the Dean of Doctoral Studies. Time Required: There is one required classroom course in the Doctoral program - PHD01 Doctoral Seminar - which can be completed in one University session. Additional project work will be required between University sessions. Requirements: Be a registered adult leader in the Boy Scouts of America and provide leadership and service for the duration of Doctoral studies. Complete course PHD01 Doctoral Seminar. Complete a research project, including written thesis and oral reports. The Doctor of Scouting Degree requires significant effort and commitment over an extended period. Prerequisite course GEN27 'What's Up, Doc?' explains the requirements in detail. Students should carefully consider these requirements before registering in the Doctoral program. If you would like to pursue a Doctoral Degree, but cannot attend 'What's Up Doc?' please contact the Registrar to arrange an interview with the Dean of Doctoral Studies.</p>

Commissioner Trail:

Note: Unit Commissioner Basic Training (COM20) is being offered two separate ways.

- A course as part of the University of Scouting. – This option allows you to also take other University courses during periods 5-7. Additionally you also get to experience the fellowship, fun, food, and receive any University giveaways. For this option you need to register with the normal UOS link and you will have to pay the University fee.

<http://www.hudsonvalleyscouting.org/event/cn-university-of-scouting/2518518>

- A stand-alone class. This includes only the class itself at no charge. You will just be taking the class and not participating in any other UOS activities, which means you will not be receiving any food or University giveaways. For this option there is a separate link with no fee.
