A Scout is...

What's the 6th Point of the Scout Law?

The Scout Law is: "A Scout is Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean, and Reverent."

One of the core fundamentals of scouting! NATIONAL RANDOM ACTS OF KINDNESS DAY!

Observed on February 17th, National Random Acts of Kindness Day has grown in popularity each year. It is celebrated by individuals, groups and organizations nationwide to encourage acts of kindness. It is a favorite day for many, as people everywhere are enjoying doing these acts of kindness. Not only is it positive for the receiver, but for the giver, too!

"I was a recipient of the kindness but more glad to be a contributor!" (Unknown)

Research found that the Random Acts of Kindness Foundation celebrates Random Acts of Kindness Week. The Random Acts of Kindness Foundation is an internationally recognized non-profit organization founded upon the powerful belief in kindness and dedicated to providing resources and tools that encourage acts of kindness.

A Few Quotes of Kindness:

"Kindness is a language which the deaf can hear and the blind can see."
(Mark Twain)

"No act of kindness, no matter how small, is ever wasted."
(Aesop)

"Remember there's no such thing as a small act of kindness. Every act creates a ripple with no logical end."
(Scott Adams)

"Kind words and actions can seem so small, but their effects are truly endless."
(Author Unknown)

HOW TO OBSERVE

It's BLUE and GOLD Time!

8 Themes for a Blue and Gold Your Cub Scouts Will Love!

By now you've seen that when it comes to personal flare, Blue and Gold banquets, quite literally, take the cake! But beyond the batter and frosting, we've seen creative themes and amazing decorations across the Scouting world for the big BSA birthday bash that comes every February. Sure it's fun to do a Star Wars theme, and Cub Scouts love it, but if you are considering incorporating a different, or new theme into your Pack's Blue and Gold banquet, here are 8 others that we think are the bees knees.

1. LEGO my Blue and Gold!

Everything really is awesome when you combine a popular toy with a hit movie that boys of a certain Cub Scout age love. A LEGO party for Blue and Gold is a way to celebrate the character "building" that Scouting is. If you can "snap" it together, it's sure to be a "block" buster hit!

2. Blue and Gold the Future!

Bring the Jetsons back to your Cub Scout's imagination, with robotic flare and futuristic decor. It might take some work but it's the kind of stuff that everyone can participate in. Robots and Space-themed Blue and Gold banquets can reach the stars. Now, whether or not you serve space food and dehydrated cake, well that's your call.

3. Birthday Party Blue and Gold!

Blue and Gold celebrates the birth of Scouting after all, so why not celebrate your Blue and Gold like it's meant to be: a Birthday Party! Presents, balloons, games, bows and ribbon, everybody loves a birthday party, now the Cub Scouts can throw one for the team, the Scouting team!

4. Blue and Gold Camping Party!

Outside life is at the core of Scouting, so why not bring a bit of great outdoors to the big annual banquet with a Camping theme? We've seen marshmallow roasting tables at Blue and Gold banquets, and we're sure if you include some storytelling as part of the evening's entertainment, all you'll miss is the campfire. Well, actually, there's a cake for that!

5. The (Blue and) Gold Standard

Elegant. Classic. Definitely the gold standard belle of the ball are the colors that started it all. Essentially a built-in theme! It's fun to go to town with everything from plates and forks, to streamers and balloons in a festive Blue and Gold array.

6. A Night at the Movies, Featuring: Blue and Gold!

Star Wars, LEGO, it's fun to make Blue and Gold a movie theme, but what about a theme that's all about going to the movies? Turn your banquet hall into a Silver Screen Cinematic paradise. With popcorn, old-fashioned reels and movie tickets. This theme is especially great if (as we've seen some of you do) you present a slide show or video of your Pack's memories from the previous year.

7. Minions of Cub Scouts Love Blue and Gold!

"Despicable Me" started a Minion revolution, and these little creatures could not be more perfectly dressed for a Blue and Gold banquet. Already clad in Cub Scout colors, there are endless Pinterest ideas for incorporating Minions into all kinds of edible crafts and activities, it's one theme that's sure to be deliciously "despicable."

8. Wanted! A Western Blue and Gold Theme!

Live on the wild side by bringing the Wild Wild West to your Blue and Gold shindig! "WANTED" posters with a big mug shot of each Cub Scout is a rambunctious way to set the mood. Fire up the mess hall with chili and hot dogs, and you have yourself a feast fit for the O.K. Corral. Once again, Pinterest is chock-full of ideas for your Western-themed Blue and Gold banquet.

While Cub Scouts is full of fun activities throughout the year, there's only one Blue and Gold. Make sure it's one that your Cub Scouts will enjoy! Post your pictures in our upcoming Rockland Round ups.

Cub Scout's Invention Debuts on The Steve Show 1/17/18

What if we told you that you'd never have to step on another Lego again? For those who know the agony of taking a stray Lego to the foot, worry no more—you can now walk more confidently across any room, all thanks to this Cub Scout's brilliant invention.

Webelos Scout Colten B.'s Lego Scoop invention started as a project for his school's "invention convention" with the STEMIE Coalition, but before he knew it, he was showcasing his ingenious

creation on the Steve Show with Steve Harvey, who also happens to be a former Cub Scout.

As you know, helping other people is a crucial part of being a Scout, and Colten's invention is sure to help kids and parents alike. Speaking of helping, Colten even got to help Harvey recite the Scout Oath!

The Value of Unplugging

By Michael Surbaugh, 13th Scout Chief Executive
Boy Scouts of America

I recently saw a study that looked into the technology habits of children, and some of the results really got me thinking about the benefits of the Cub Scouts experience. This study showed that on average, children between 5 and 8 now spend almost three hours each day in front of a screen. Similarly, 42 percent of children under 9 have their own tablet device, up from just 1 percent in 2011.

While there is no definitive rule for the right amount of time a child should spend engaging with technology, most researchers and pediatricians agree that limiting screen time is better for cognitive and social development. This is why I'm glad Scouting can be a place where kids spend time sharing fun, real-world experiences with their peers and families.

By introducing children to new experiences, the Cub Scouting program helps capture their creativity and encourage exploration. Cub Scouts offers many ways for kids to practice having low-tech fun: going on outdoor adventures, creating cars and rockets through derbies or helping the community through service projects. These experiences not only pay off in terms of development, but they also may start habits or hobbies that last for a lifetime!

Technology has an important place in all of our lives, though, so we also want to educate young people about how to use technology safely. This is why we offer the Cyber Chip program starting in Cub Scouts. Each year, young people can access age-appropriate lessons on topics such as cyber bullying, cell phone use, texting, blogging, gaming and identity theft. It's a good way to ensure children can experience the benefits and avoid the downsides of devices, while encouraging families to have important conversations about technology.

I hope Scouting family members of all ages will consider making a habit of regularly unplugging to spend screen-free quality time with friends and family. Getting device-free time can require intention and discipline, but it's a wonderful way to remind ourselves that technology is merely a tool that should facilitate our relationships and interests, not define them.

Yours in Scouting,
Mike

RECIPE FOR A CAMPOUT

Celebrate Scouting's Birthday on Your Next Campout!

Chocolate Upside Down Cake Recipe

This Recipe is meant for Boy Scouts.

Ingredients:

3 Tbsp butter (or margarine) or oil
1 cup flour
3/4 cup sugar
2 tsp baking powder
1/4 tsp salt
5 tsp dry cocoa powder
1/2 cup milk
1 tsp vanilla
1 cup chopped pecans or walnuts
1 cup water
1/2 cup sugar
1/2 cup brown sugar
1/4 cup dry cocoa powder

Instructions:

Warm dutch oven over coals. Melt 3 Tbsp butter in dutch oven and swirl around to cover sides.

In zip-loc, mix the flour, sugar, baking powder, salt, and cocoa. (Could do this beforehand) Add milk and vanilla to zip-loc. Pour in melted butter from dutch oven. (Just take what pours out, leaving the oven well-coated.) Add nuts and knead well to make a batter.

Pour batter into dutch oven, squeezing it all out of the zip-loc. Mix sugar, brown sugar, cocoa, and water in the zip-loc. Pour over batter.

Bake at 350 degrees for 40 minutes.

When done, remove from heat and remove lid for about 5-10 minutes to cool. When serving, flip the piece upside down so chocolate sauce is on top. Serves 6 to 8.

Klondike Was A Great Success!

Over 500 scouts hit the trails for the 20 plus activity stations. Thanks to Klondike Chief Kier Levesque, Karen Breslow, RAC, Iditarod commander Mike Davidson, Charlie Blaha our Scorekeeper, the stations leaders and of course the kitchen staff and sasquatches for a wonderful day. RELIGIOUS NEWS...

Scout Sunday

This year's "Scout Sunday" Catholic Mass was hosted by Saint Aedan's Parish Church in Pearl River, New York on Sunday, February 4 at 2:00 p.m. (Each year, the Boy Scouts of America (BSA) designates the Sunday on or before February 8th as "Scout Sunday", in honor of the incorporation of the BSA on February 8, 1910.)

The Mass was celebrated by the Most Reverend Dominick Lagonegro, Auxiliary Bishop of the Archdiocese of NY, and Father Ivan Lovric, Parochial Vicar of St. Aedan's. The Bishop's homily centered on the importance of spreading the Gospel through our everyday actions.

Scouters Gerard Scanlan, Vincent DePaul and John B Kelly, Jr. of the Catholic Committee, Hudson Valley Council, BSA, organized the event, and spoke there about the importance of earning religious emblems, and how it is only Faith that gives true meaning and purpose to human life. Despite light advanced registration, the Mass was well attended by a crowd of more than 125 Boy Scouts (grade 5 to age 18), Cub Scouts (grades kindergarten to 5th), Scout leaders, parents and relatives. 8 Cub Scouts from Packs 2001, 2165 and 4063 earned and were presented with the Light of Christ Catholic religious emblem. 10 Cub Scouts from Packs 2001 and 2165 earned and were presented with the Parvuli Dei Catholic religious emblem. A reception which included coffee and cake was held after the Mass.

Boy Scouts are scheduled to receive their earned religious emblems at a special Mass celebrated by Timothy Cardinal Dolan at St. Patrick's Cathedral on Sunday, April 22, 2018.

Scout Shabbat

This year's Scout Shabbat for the Boy Scouts and Girl Scouts was held at the Reform Temple of Rockland in New City on Friday, February 9. Jill Tanney, Chair Jewish Committee on Scouting of Rockland District, HVC BSA and Chair National Jewish Committee on Girl Scouting, organized the event.

A large group of Scouts and Scouters participated in the service, reciting the meanings of the Boy Scout and Girl Scout Oaths and Laws. The service was performed by Rabbi Benjamin Sharff and Cantor Sally Neff. Rabbi Sharff included a story about how Irving Berlin wrote God Bless America and directed a portion of the royalties to the Boy Scouts and Girl Scouts. Cantor Neff led the congregation and Scouts in a wonderful rendition of God Bless America. After the service, all enjoyed some treats and fellowship.

Protestant Scout Sunday

This year's Protestant Scout Sunday service was hosted by Troop 37 at the United Methodist Church of Pearl River on Sunday, February 11, 2018. The service was organized by our own Don Schreeck (co-chair of the Rockland Protestant Committee). Scouts, Scouters and families from Troop 37, Sea Scout Ship 2037, other Boy Scout, Cub Scout and Girl Scout units, and members from the Rockland District were in attendance.

Reverend Warren Brandt, Rockland District Protestant Committee Chairman spoke about his Scouting experiences and religious awards. Mr. James McKeever preached about his Scouting experiences and symbolism of the Eagle in scripture. Scouts Michael Stewart and Amogh Matthews recited scripture readings to the congregation and led the children's time portion of the service. The Pastor, Rev. Jean Arlea-Eriksen, herself a past Venture Scout and Girl Scout, led the service and praised the value of Scouting. After a group photo, the Scouts joined the rest of the congregation for refreshments and fellowship.

UNIT NEWS CUB SCOUTS

PACK 1

Pack 1 Scouts (and their families) helped out at St. Greg's with the "Feeding Our Neighbors" campaign. The Scouts spent a Friday night counting, sorting, and bagging up almost 500 food donations. The next day they assembled at the local food pantry where they unloaded the

van and filled the shelves. On Sunday, February 4th several of the Pack 1 Scouts received their Catholic Religious Emblems at St. Aedan's Church. They were all very happy to have their emblems blessed by Bishop Lagonegro.

BOY SCOUTS

TROOP 2

An integral part of our parish life, BSA Troop 2, Nyack, has been a part of our parish family for over 75 years. The Scouts and their leaders, headed up by long term Scout Master Kier Levesque, have made a mark on our community in many ways. Within our Grace Church home, Troop 2 has traditionally taken care of the "Greening" of the Church for Christmas, making our church look beautiful and festive every year. Scouts have volunteered for Midnight Run, and a few are members of our parish Senior Youth group.

Scouts and scout leaders from the troop also attended the National Jamboree, where in addition to participating in many fun activities they

provided community service to the local West Virginia community.

Many Eagle projects have been completed by Troop 2 Scouts that have impacted our Church and the community. This past year alone, projects included: Handicap Bathroom in Upper Nyack VFW Post (Aidan Pagano) Painting of Storm Drains in Nyack (Laurence Kiesel) Pantries Refinished at Macedonia Baptist Church/Piermont (Gerald Osborne) Patio at Dowling Gardens in Orangeburg (Callum Hanchrow) Prayer Boxes at Grace Church (Jack Sestak) Welles Crowther Memorial/Memorial Park Nyack (Chris Walsh).

TROOP 21

What better way to get Webelos to join your Troop than pizza! On Thursday, February 15 Suffern Boy Scout Troop 21 invited Webelos from Packs 94 and 23 to participate in their annual pizza making event. The Boy Scouts work with the Webelos to create and cook the delicious treats. Over the years, this has proven to be a

great bonding activity. In addition, the Webelos parents get to see that the boys plan, set up, cook and clean up - all without adult assistance (except for helping them eat the pizza). And the pizzas must have been good because everyone survived!

UNIT NEWS BOY SCOUTS

TROOP 79

Troop 79 had a busy start to the New Year. January's theme was Wilderness Survival. Stan Pascoo President of the Sportsmans Federation of Rockland County and DEC instructor came to speak with the boys about the basics of wilderness survival. From what to carry to what to do if lost. The Boys had a great time talking with Stan and he was an animated presenter.

On January 20th the Troop took a trip up to Mt Peter for an afternoon of snow tubing. The weather was great and the tubing was exciting! The remaining Troop meetings were focused on building sledges for the Klondike Derby at Camp Bullowa and prepping for the winter overnight at the Iditarod. Three Patrols took to the Klondike and all had a great time using their Scout skills out on course. A hearty group

of boys made the trek to the Kyle Dunn lean to site and spent a brisk night in the Bullowa back country! February's theme is STEM. The boys are looking forward to constructing Popsicle stick bridges and testing them against the "Crushinator 2000"!!

TROOP 97

Troop 97 blasted into 2018 with a small but hearty group doing a frosty 10 mile hike in eastern Rockland, up Hook Mountain. We celebrated 2 of our recent Eagle Scouts at their Court of Honor, had 2 new Eagle Scouts congratulated by the district boards, and several of our Star and Life scouts began their Trail to Eagle with our troop-sponsored class about the process. Mr. Lugo from

Troop 40 in Dutchess District came to our troop to run an awesome disabilities awareness merit badge session, a true highlight for the scouts who were able to discuss some challenges with another scout with disabilities while having a very inspirational question and answer session. We look forward to a busy February ahead!
